

Recruiting aeromedical experts

We need you to help us improve the impact of ESAM!

CIRCLE OF EXPERTS Administered by Advisory Board of ESAM Training & Medical & Education Incapacitation Aeromedical **Experts** Human **NATIONAL** Passenger **Expert** Factors **AEROSPACE** Health Working Groups SOCIETIES Mental Space Health Other Groups **MEMBERS** (AMEs, Flight Surgeons & other professionals) ESAM **ESAM PRODUCTIONS ESAM** opinions **ESAM** Scientific **Positions** & information Papers **ESAM COMMUNICATION FSAM Website** ECAM conference & AME refresher course Direct support to local associations

ESAM is now recruiting aeromedical experts from its member associations in various fields. Experts that will constitute the scientific hub through various subgroups. Tasks would be to contribute to ESAM productions such as aeromedical positions, and other scientific work to promote aerospace medicine from our united European family. Are you interested please email ab@esam.aero.
