Association/Society's website:

According to ESAM Statutes, **Article F: 2. Associate membership:** It shall be possible for other relevant national and international associations and institutions to become associate members upon making an application to the EC. Associate members shall be entitled to all documentation relating to the work of the Society, and to attend GA's. Associate members shall not be entitled to vote, but they may send to the GA one representative with nonvoting status. (Individuals from such institutions are also welcome to become members via their national organisations). Please give a brief statement/explanation on why the organisation is applying and how it complies with the requirements in Article F:

Signature of the President of the Association/ Society

Date

Please forward the completed application form to the Executive Committee of ESAM by email to the following address:
